Title: An Enjoyable Study Tour

**1 Name : Ho Tin Wing**

**Class : 3B**

**2 The photo was taken in Stonehenge, UK.**

**3 Photo focus: My team members and I**

**4 The photo shows a relaxing place with a clear, blue sky and a green grassland. Our group shot a video and played games in front of the big stone statue and big prairie.**

**5 Site historical and cultural information:**

**Stonehenge is distinctive and famous enough to have become frequently referenced in popular culture. The landmark has become a symbol of British culture and history.**

**6 My reflection / comment on this photo is ... ..**

**This is my first time visiting the UK and Stonehenge. In the picture, Stonehenge is not so big, but when I stood close to the stone pillars, they were really giant. I wonder how people moved these big stones to form the pattern we can see now.**

**Our ideal Britain:**

**Fresh air + Blue sky – too many people = Our ideal Britain**
