An eye-opening trip of Britain 2017

Title: Charming London Eye

1 Name : Lai Tung Yuen

Class : 4C

2 The photo was taken in London, capital of UK.

3 Photo focus: London Eye and my lovely friends.

4 The photo shows a perfect place where we can take a photo to keep this memory in my lifetime. The view here was wonderful because of the great weather and great friends.

5 Site historical and cultural information:

When London Eye opened to the public in 2000, it was the world's tallest Ferris wheel. It offered the highest public viewing point in London. It is the most popular paid tourist attraction in the United Kingdom with over 3.75 million visitors annually and has made many appearances in popular culture.

6 My reflection / comment on this photo is

The photo recalls my happy memories in the UK. Before going to watch the musical, Mamma Mia, we went to visit London Eye. I was disappointed that we could not ride on the Eye. I expect to see the view through the cable in the Eye. I hope I can ride on the Eye one day .

Our ideal Britain:

Charming places + Friendly people – Traffic in London = Our ideal Britain
