Title: An Extraordinary Visit to the British Museum

1 Name : Li Po Yan

Class : 3A

2 The photo was taken in the British Museum.

3 Photo focus: The statue and I

4 The photo shows the historic statue which was sculptured in medieval Europe. I felt amazed that the medieval Europeans could carve out such delicate sculptures and they could be preserved until now.

5 Site historical and cultural information:

I know this sculpture was made during the Renaissance (14-17th century). It must be a great work at that time.

6 My reflection / comment on this photo is

I was extremely impressed by the sculptures. I felt so lucky that I had the chance to appreciate the sculptures so closely and even had a photo taken at British Museum. I treasure this photo.
